### Audio Requirements for the online training session:

To get the most out of a WebEx web conference, here's all you'll need:

- A computer or wireless device with an Internet connection
- An audio connection - either through your computer or phone taking into consideration:
  - ✓ Speakers or headphones
  - ✓ Microphone, if you want to speak during the conference

Tip: For better audio quality and greater convenience, use a computer headset with a high-quality microphone.

## How to join the online meeting:

1. Go to the URL which will be given to you in the email invitation.

1. اذهب إلى الرابط المرفق في البريد الإلكتروني.

**Cisco webex**

7. On the "Audio Conference" Box, Click on Use Computer for Audio.

7. عندما تظهر نافذة "Audio Conference" اضغط على "Use Computer for Audio".

The screenshot shows the Cisco WebEx Meeting Center interface. The main window displays "Shadi Glukmann's meeting" with the topic "Test2". An "Audio Conference" dialog box is open, providing instructions for joining via phone or computer. The "Use Phone" section lists the toll number +1-408-600-3600, access code 622 151 616 #, and attendee ID 47 #. A red arrow points to the "Use Computer for Audio" button. The interface also includes a "Share My Desktop" dropdown, a "Leave Meeting" button, and a chat area with a "Send" button. The status bar at the bottom shows the meeting number 622 151 616 and a "Connected" status.

9. Adjust the volume of your speakers and your microphone from the "Volume" Box.

9. قم بضبط صوت السماعات و الميكروفون من لوحة "Volume".
